

EKURA Meeting Minutes 2/18/2014

The February meeting was called to order by Past President Ron Wolfe. The December 16, 2013 minutes were approved as posted on the EKURA website and provided at the meeting.

Mr. Wolfe announced that members should continue to call or write legislators concerning their support for the state's required contributions to the employee/teachers retirement systems. The KRTA has been sending out weekly legislative updates. He asked anyone who was not getting the updates to provide their email and he would forward the updates to them.

Mr. Wolfe reminded members to fill out the white membership cards so that their dues are taken out of their retirement checks automatically in November of each year.

Martha Davidson provided sign up sheets for the Green Tree Tea Room activity.

Ron Wolfe announced that the Friday, April 4, 2014 trip to Keeneland with the Alumni Association was not listed on either the food & drink or trip lists and should be added.

He also announced that the EKURA group had five delegate slots open for the annual KRTA convention April 21 and 22 in Louisville. He requested that anyone interested in attending should let him know at the end of the meeting.

Tanya Broell, Account Advisor in Humana's Louisville Sales Office was the speaker for the meeting. She discussed the Humana plan options and her role in providing ongoing service to the Kentucky Employees' Health Plan, the KTRS and the KRTA.

Members brought a problem to her attention concerning members over 65 being turned down for services at the local Kroger grocery store clinic. She told members she would check into the problem and try to find an explanation.

The next meeting will be held Tuesday, April 15, 2014 at 11:30 am at Gillum's Restaurant in Richmond.
