

EKU Retirees Association
Minutes of October 16, 2012
(Read and approved December 18, 2012)

Location: Gillum's Sports Lounge, Richmond

Time: 11:30

A welcome was given by President Ron Wolfe.

The minutes of the August meeting were attached to the Oct. meeting agenda. A call for additions, deletions, or corrections was made. The minutes were approved as distributed. A draft of the September meeting minutes will be posted on the EKURA website (<http://retirees.eku.edu/>) at least two weeks before the next EKURA meeting. A call for additions, deletions, or corrections will be made and all edits will be sent to the Secretary, JoAnna Dickey. The minutes will be considered as approved after all feedback is collected and added into the meeting minutes. Approved minutes will then be posted on the EKURA website and archived. Members approved this procedure.

A report was given by Treasurer, Pat Ridgley.

The two KRTA sponsored projects were announced. A small grant from the KRTA was received to help with the two projects:

- A canned food drive is underway. All collected contributions will go to the Home Meal Delivery program.
- The School Supplies project will be in conjunction with the Christmas Luncheon. It was proposed that funds be given to a project to be carried out by the Model Lab. School Special Education program. Members approved this project.

The Christmas Luncheon is scheduled for Dec. 18 at the Heritage House Bed and Breakfast. The cost is \$15.00 per person (which includes the gratuity). Bill Ellis will present a program on Christmas humor. Reservations should be made through Pat Ridgley by Dec. 7.

Please send Ron Wolfe the number and description of the volunteer hours that you spend. The KRTA would like to know the approximate number and Ron (rongwolfe@bellsouth.net) would like to do a story on the kinds of contributions member of the EKURA make.

Membership information is still available for the EKURA and the KRTA. Check with the president of Secretary for information.

EKURA is not represented in the ECU Presidential search. The EKURA president will continue to maintain contact with the chair of the committee and ask for some type of representation.

Dan McBride, Associate Athletics Director for External Relations at ECU provided information about ECU athletics. He gave information about honors, achievements, and game schedules. He also gave examples of how the university is trying to make participation at games more user friendly.

The next meeting is scheduled for December 18th and will be located at the Heritage House Bed and Breakfast in Richmond at 11:30. Reservations for this luncheon meeting are due by December 8th.
